| 25      | Marital Status                  | Describes the person's Marital Status. eg- married, divorced, separated, unknown etc.        |  |  |  |
| 26      | SSN Verification Source Code    | Describes how the SSN was verified (Code)  |  |  |  |
| 27      | SSN Verification Source         | Describes how the SSN was verified (Description)   |  |  |  |
| 28      | SSN Verification Indicator      | Confirms whether SSN was verified or not   |  |  |  |
| 29      | Hearing Impaired Indicator      | Confirms whether hearing impaired yes or no  |  |  |  |
| 30      | Preferred Language Code         | Describes the preferred language code reported by client                                     |  |  |  |
| 31      | Preferred Language              | Description of the preferred language reported by client                                     |  |  |  |
| 32      | First Name                      | First name of the client   |  |  |  |
| 33      | Last Name                       | Last name of the client  |  |  |  |
| 34      | Middle Name                     | Middle name of the client  |  |  |  |
| 35      | Suffix Code                     | Suffix code for the client   |  |  |  |
| 36      | Suffix                          | Description of the suffix reported by client   |  |  |  |
| 37      | Effective Begin Date (Name)     | Date since when the name provided by the client is valid                                     |  |  |  |
| 38      | Effective End Date (Name)       | Date until when the name provided by the client is valid                                     |  |  |  |
| 39      | Individual Id (Contact-Biz)     | Unique ID assigned to each client in EE (Appears under Contact Details - Business)           |  |  |  |
| 40      | Phone Number (Contact-Biz)      | Phone number provided by the client (Business Context)                                       |  |  |  |
| 41      | Phone Number Ext (Contact-Biz)  | Phone number extension provided by the client (Business Context)                             |  |  |  |
| 42      | Phone Number Type Code (Biz)    | Type of phone number such as cell, home, work etc. (Business Context Code)                   |  |  |  |
| 43      | Phone Type (Contact-Biz)        | Description of phone type (Business Context)   |  |  |  |
| 44      | Alt Phone Number (Contact-Biz)  | Alternate phone number provided by the client (Business Context)                             |  |  |  |
| 45      | Alt Phone Number Ext (Biz)      | Alternate phone number extension provided by the client (Business Context)                   |  |  |  |
| 46      | Alt Phone Num Type Code (Biz)   | Type of alternate phone number such as cell, home, work etc. (Business Context Code)         |  |  |  |
| 47      | Alternate Phone Type (Biz)      | Description of alternate phone type (Business Context)                                       |  |  |  |
| 48      | Comm Mode Code (Contact-Biz)    | Communication mode code provided by client such as mail, phone etc. (Business Context)       |  |  |  |
| 49      | Communication Mode (Biz)        | Description of communication mode (Business Context)   |  |  |  |
| 50      | Comm Pref Time Code (Biz)       | Preferred contact time code provided by client (e.g., morning, evening) (Business Context)   |  |  |  |
| 51      | Email (Contact-Biz)             | Email address provided by the client (Business Context)                                      |  |  |  |
| 52      | Effective Begin Date (Cont-Biz) | Date since when the contact information is valid for a particular case (Business)            |  |  |  |
| 53      | Effective End Date (Cont-Biz)   | Date until when the contact information is valid for a particular case (Business)            |  |  |  |

| Row Num | Field Name                      | Description  |  |  |  |
|---------|---------------------------------|--|--|--|--|
| 54      | Case Number (Contact-Biz)       | Case number assigned to each case/household (Appears under Contact Details - Business)     |  |  |  |
| 55      | Individual Id (Contact-Pers)    | Unique ID assigned to each client in EE (Appears under Contact Details - Personal)         |  |  |  |
| 56      | Phone Number (Contact-Pers)     | Phone number provided by the client (Personal Context)                                     |  |  |  |
| 57      | Phone Number Ext (Contact-Pe)   | Phone number extension provided by the client (Personal Context)                           |  |  |  |
| 58      | Phone Number Type Code (Per:    | Type of phone number such as cell, home, work etc. (Personal Context Code)                 |  |  |  |
| 59      | Phone Type (Contact-Pers)       | Description of phone type (Personal Context)   |  |  |  |
| 60      | Alt Phone Number (Contact-Per   | Alternate phone number provided by the client (Personal Context)                           |  |  |  |
| 61      | Alt Phone Number Ext (Pers)     | Alternate phone number extension provided by the client (Personal Context)                 |  |  |  |
| 62      | Alt Phone Num Type Code (Per:   | Type of alternate phone number such as cell, home, work etc. (Personal Context Code)       |  |  |  |
| 63      | Alternate Phone Type (Pers)     | Description of alternate phone type (Personal Context)                                     |  |  |  |
| 64      | Comm Mode Code (Contact-Pe      | Communication mode code provided by client such as mail, phone etc. (Personal Context)     |  |  |  |
| 65      | Communication Mode (Pers)       | Description of communication mode (Personal Context)                                       |  |  |  |
| 66      | Comm Pref Time Code (Pers)      | Preferred contact time code provided by client (e.g., morning, evening) (Personal Context) |  |  |  |
| 67      | Email (Contact-Pers)            | Email address provided by the client (Personal Context)                                    |  |  |  |
| 68      | Effective Begin Date (Cont-Per) | Date since when the contact information is valid for a particular case (Personal)          |  |  |  |
| 69      | Effective End Date (Cont-Per)   | Date until when the contact information is valid for a particular case (Personal)          |  |  |  |
| 70      | Case Number (Contact-Pers)      | Case number assigned to each case/household (Appears under Contact Details - Personal)     |  |  |  |
| 71      | Individual Id (Contact-Other)   | Unique ID assigned to each client in EE (Appears under Contact Details - Other)            |  |  |  |
| 72      | Phone Number (Contact-Other)    | Phone number provided by the client (Other Contact Context)                                |  |  |  |
| 73      | Phone Number Ext (Contact-Otl   | Phone number extension provided by the client (Other Contact Context)                      |  |  |  |
| 74      | Phone Number Type Code (Oth     | Type of phone number such as cell, home, work etc. (Other Contact Context Code)            |  |  |  |
| 75      | Phone Type (Contact-Other)      | Description of phone type (Other Contact Context)  |  |  |  |
| 76      | Alt Phone Number (Contact-Otl   | Alternate phone number provided by the client (Other Contact Context)                      |  |  |  |
| 77      | Alt Phone Number Ext (Other)    | Alternate phone number extension provided by the client (Other Contact Context)            |  |  |  |
| 78      | Alt Phone Num Type Code (Oth    | Type of alternate phone number such as cell, home, work etc. (Other Contact Code)          |  |  |  |
| 79      | Alternate Phone Type (Other)    | Description of alternate phone type (Other Contact Context)                                |  |  |  |
| 80      | Comm Mode Code (Contact-Otl     | Communication mode code provided by client such as mail, phone etc. (Other Context)        |  |  |  |
| 81      | Communication Mode (Other)      | Description of communication mode (Other Contact Context)                                  |  |  |  |
| 82      | Comm Pref Time Code (Other)     | Preferred contact time code provided by client (e.g., morning, evening) (Other Context)    |  |  |  |
| 83      | Email (Contact-Other)           | Email address provided by the client (Other Contact Context)                               |  |  |  |
| 84      | Effective Begin Date (Cont-Oth) | Date since when the contact information is valid for a particular case (Other)             |  |  |  |
| 85      | Effective End Date (Cont-Oth)   | Date until when the contact information is valid for a particular case (Other)             |  |  |  |
| 86      | Case Number (Contact-Other)     | Case number assigned to each case/household (Appears under Contact Details - Other)        |  |  |  |
| 87      | Individual Id (Addr-Res)        | Unique ID assigned to each client in EE (Appears under Address - Residential)              |  |  |  |
| 88      | Address type (Addr-Res)         | Address type provided by the client for a case such as home, mail etc. (Residential)       |  |  |  |
| 89      | Address Line 1 (Addr-Res)       | Street address for the case reported by the client (Residential)                           |  |  |  |
| 90      | Address Line 2 (Addr-Res)       | Apartment or suite address for the case reported by the client (Residential)               |  |  |  |
| 91      | City (Addr-Res)                 | City address for the case reported by the client (Residential)                             |  |  |  |
| 92      | County Code (Addr-Res)          | Three digit county code for the address for the case (Residential)                         |  |  |  |
| 93      | County (Addr-Res)               | Description of county code (Residential)   |  |  |  |
| 94      | State Code (Addr-Res)           | Two letters state code for the address for the case (Residential)                          |  |  |  |
| 95      | State (Addr-Res)                | Description of state code (Residential)  |  |  |  |
| 96      | Zip code (Addr-Res)             | Five digit zip code of the address for the case (Residential)                              |  |  |  |
| 97      | Zip 4 code (Addr-Res)           | Four digit add-on zip code of the address for the case (Residential)                       |  |  |  |
| 98      | Effective Begin Date (Addr-Res) | Date since when the address is valid for a particular case (Residential)                   |  |  |  |
| 99      | Effective End Date (Addr-Res)   | Date until when the address is valid for a particular case (Residential)                   |  |  |  |
| 100     | Case Number (Addr-Res)          | Case number assigned to each case/household (Appears under Address - Residential)          |  |  |  |
| 101     | Individual Id (Addr-Mail)       | Unique ID assigned to each client in EE (Appears under Address - Mailing)                  |  |  |  |
| 102     | Address type (Addr-Mail)        | Address type provided by the client for a case such as home, mail etc. (Mailing)           |  |  |  |
| 103     | Address Line 1 (Addr-Mail)      | Street address for the case reported by the client (Mailing)                               |  |  |  |
| 104     | Address Line 2 (Addr-Mail)      | Apartment or suite address for the case reported by the client (Mailing)                   |  |  |  |
| 105     | City (Addr-Mail)                | City address for the case reported by the client (Mailing)                                 |  |  |  |

| Row Num | Field Name                       | Description   |  |  |  |
|---------|----------------------------------|---|--|--|--|
| 106     | County Code (Addr-Mail)          | Three digit county code for the address for the case (Mailing)                    |  |  |  |
| 107     | County (Addr-Mail)               | Description of county code (Mailing)  |  |  |  |
| 108     | State Code (Addr-Mail)           | Two letters state code for the address for the case (Mailing)                     |  |  |  |
| 109     | State (Addr-Mail)                | Description of state code (Mailing)   |  |  |  |
| 110     | Zip code (Addr-Mail)             | Five digit zip code of the address for the case (Mailing)                         |  |  |  |
| 111     | Zip 4 code (Addr-Mail)           | Four digit add-on zip code of the address for the case (Mailing)                  |  |  |  |
| 112     | Effective Begin Date (Addr-Mail) | Date since when the address is valid for a particular case (Mailing)              |  |  |  |
| 113     | Effective End Date (Addr-Mail)   | Date until when the address is valid for a particular case (Mailing)              |  |  |  |
| 114     | Case Number (Addr-Mail)          | Case number assigned to each case/household (Appears under Address - Mailing)     |  |  |  |
| 115     | Individual Id (Addr-Other)       | Unique ID assigned to each client in EE (Appears under Address - Other)           |  |  |  |

| 120     | County Code (Addr-Other)         | Three digit county code for the address for the case (Other)                      |  |  |  |
| 121     | County (Addr-Other)              | Description of county code (Other)  |  |  |  |
| 122     | State Code (Addr-Other)          | Two letters state code for the address for the case (Other)                       |  |  |  |
| 123     | State (Addr-Other)               | Description of state code (Other)   |  |  |  |
| 124     | Zip code (Addr-Other)            | Five digit zip code of the address for the case (Other)                           |  |  |  |
| 125     | Zip 4 code (Addr-Other)          | Four digit add-on zip code of the address for the case (Other)                    |  |  |  |
| 126     | Effective Begin Date (Addr-Oth)  | Date since when the address is valid for a particular case (Other)                |  |  |  |
| 127     | Effective End Date (Addr-Oth)    | Date until when the address is valid for a particular case (Other)                |  |  |  |
| 128     | Case Number (Addr-Other)         | Case number assigned to each case/household (Appears under Address - Other)       |  |  |  |
| 129     | Individual Id (ID)               | Unique ID assigned to each client in EE (Appears under Identification)            |  |  |  |
| 130     | Mdm Id (ID)                      | Unique ID assigned to each client by MDM system (Appears under Identification)    |  |  |  |
| 131     | IRN (ID)                         | 9 digit unique ID assigned to each client known as 'Individual Recipient Number'  |  |  |  |
| 132     | Ma Id (ID)                       | Unique ID assigned to each client in MA (Medicaid) program                        |  |  |  |
| 133     | Ma Id Suffix (ID)                | Suffix for the MA ID assigned to each client                                      |  |  |  |
| 134     | Pin (ID)                         | Personal Identification Number used to link a case in CP (Consumer Portal)        |  |  |  |
| 135     | Passport Number (ID)             | Passport number provided by the client  |  |  |  |
| 136     | Alien Number (ID)                | Alien number (if applicable) provided by the client                               |  |  |  |
| 137     | Individual Id (Case)             | Unique ID assigned to each client in EE (Appears under Case)                      |  |  |  |
| 138     | HOH Indicator (Case)             | Indicates whether this client is marked head of household in the case             |  |  |  |
| 139     | Case Number (Case)               | Case number assigned to each case/household (Appears under Case)                  |  |  |  |
| 140     | Case Status Code (Case)          | Current status of the case such as open, closed, pending etc. (Code)              |  |  |  |
| 141     | Case Status (Case)               | Description of case status code   |  |  |  |
| 142     | Case Mode code (Case)            | Indicates whether this is redet, interim change or intake application (Code)      |  |  |  |
| 143     | Case Mode (Case)                 | Description of case code  |  |  |  |
| 144     | Effective Begin Date (Case)      | Date since when the case is active  |  |  |  |
| 145     | Effective End Date (Case)        | Date until when this case is active   |  |  |  |
| 146     | LDSS Code (Case)                 | Local Department of Social Service where this case is part of (Code)              |  |  |  |
| 147     | District Office (Case)           | District office associated to LDSS for this case                                  |  |  |  |
| 148     | Program Code (Prog)              | Programs applied by the client such as CASH, SNAP, MA etc. (Code)                 |  |  |  |
| 149     | Program Name (Prog)              | Description of program code   |  |  |  |
| 150     | Coverage Group Code (Prog)       | Sub program applied by the client such as TCA, TDAP etc. (Code)                   |  |  |  |
| 151     | Program Status Code (Prog)       | Current status of the program such as approved, denied, pending etc. (Code)       |  |  |  |
| 152     | Program Status (Prog)            | Description of program status code  |  |  |  |
| 153     | Case Number (Prog)               | Case number assigned to each case/household (Appears under Program Details)       |  |  |  |
| 154     | Individual Id (Prog)             | Unique ID assigned to each client in EE (Appears under Program Details)           |  |  |  |
| 155     | Effective Begin Date (Prog)      | Date since when the program is active   |  |  |  |
| 156     | Effective End Date (Prog)        | Date until when the program is active   |  |  |  |
| 157     | LDSS Code (Prog)                 | Local Department of Social Service where this case is part of (Prog Context Code) |  |  |  |

| Row Num | Field Name                     | Description  |  |  |  |  |
|---------|--------------------------------|--|--|--|--|--|
| 158     | District Office (Prog)         | District office associated to LDSS for this case (Prog Context)                      |  |  |  |  |
| 159     | Worker (Prog)                  | Case worker who processed the application for this case                              |  |  |  |  |
| 160     | Supervisor (Prog)              | Supervisor assigned to the worker  |  |  |  |  |
| 161     | Individual Id (Prov)           | Unique ID assigned to each client in EE (Appears under Provider Details)             |  |  |  |  |
| 162     | Provider Id (Prov)             | Unique ID assigned to each provider in EE  |  |  |  |  |
| 163     | Provider Name (Prov)           | Name of provider   |  |  |  |  |
| 164     | Provider Address Line 1 (Prov) | Street address for the provider office   |  |  |  |  |
| 165     | Provider Address Line 2 (Prov) | Suite address for the provider office  |  |  |  |  |
| 166     | Provider City (Prov)           | City address for the provider office   |  |  |  |  |
| 167     | Provider State Code (Prov)     | State address for the provider office (Code)   |  |  |  |  |
| 168     | Provider State (Prov)          | Description of provider state code   |  |  |  |  |
| 169     | Provider Zipcode (Prov)        | Zipcode address for the provider   |  |  |  |  |
| 170     | Effective Begin Date (Prov)    | Date since when provider is effective in EE system                                   |  |  |  |  |
| 171     | Effective End Date (Prov)      | Date until when provider is effective in EE system                                   |  |  |  |  |
| 172     | SYSTEM_ID (Source Info)        | Internal mapping ID to map the source system name in R360 (Set as E&E for this file) |  |  |  |  |
